

Roneet Lev, MD, FACEP

Dr. Roneet Lev is a full time emergency physician at Scripps Mercy Hospital in San Diego for 23 years and is the chief of the emergency department. She graduated from the University of Texas Medical School in San Antonio, and emergency medicine residency, at UCSD. Dr. Lev served as President of the California Chapter of the American College of Emergency Physicians from 2000 to 2001. In October 2012, she established the San Diego and Imperial County Prescription Drug Abuse Medical Task Force with the goal of reducing deaths and mortality from prescription drugs. Dr. Lev is President and founder of IEPC, Independent Emergency Physicians Consortium, an organization providing collaboration and services to over 30 independent emergency departments in California.
