

Steve Maron, M.D – President and CEO

Steve Maron, MD, joined VEP in 1990. As President and CEO, Dr. Maron establishes the vision of excellence for VEP and he oversees all aspects of the management and growth of our emergency departments and hospitalist programs. Dr. Maron continues to work as a frontline physician in several VEP emergency departments.

Dr. Maron earned his BA at the University of California at Davis and his MD at Hahnemann School of Medicine in Philadelphia. He designed and taught a course in Wilderness Medicine. Before assuming the VEP presidency in 2001, he served as an emergency physician at several VEP hospitals and provided medical care through Doctors Without Borders in Bosnia and Herzegovina, Ghana, West Africa, and Nicaragua.
