

Robert Thomas, MD

President and Chief Executive Officer, EPPA

Dr. Thomas obtained his medical degree from the Medical College of Wisconsin and completed his emergency medicine residency at Hennepin County Medical Center where he was chief resident. He is board certified by the American Board of Emergency Medicine. He joined EPPA in 2002 and has served as the emergency department medical director at Mercy Hospital, a Level II Trauma Center. Dr. Thomas has been an integral part of bringing new care delivery models to the EPPA team. Dr. Thomas is currently the President and Chief Executive Officer of EPPA and The Urgency Rooms.
