

John R. Fernandez M.D., JD, MMM, FACEP

Ryan Domengeaux is a nationally recognized leader in risk management with 19 years of experience in the public and private sectors. Since joining Schumacher Clinical Partners in 2006, he has architected the company's industry-leading Enterprise Risk Management Program. Through his vision, experience, and expertise, Schumacher Clinical Partners has mitigated its total cost of risk without sacrificing the integrity of its mission. The program's success is an example of how risk mitigation and a patient-centered approach can live harmoniously, and in fact thrive, in today's healthcare environment.

Domengeaux's notable expertise is in the areas of insurance operations, legal resources, claims and litigation management, mergers and acquisitions, loss forecasting and analytics, corporate compliance, contracting and entity management, records management, and clinical-legal resources. Prior to Schumacher Clinical Partners, he served 9 years as the Risk and Insurance Supervisor for Lafayette Consolidated Government where he was responsible for the claims, safety and wellness programs for one of Louisiana's largest municipalities.

Domengeaux earned his Juris Doctor degree from Southern University Law Center after graduating from the University of Louisiana at Lafayette with a Bachelor of Science in Business Administration and a degree in Finance, concentrating his studies in the fields of insurance and risk management. He also holds a host of industry-recognized designations. Included in this listing are the ARM, ARM-P, CRM, CIC, AIC, AIS, ASLI, and CPHRM designations, all of which Domengeaux was the youngest risk management and insurance professional to earn when received.
