

Kenneth S. Johnson, M.D., FACEP

I have been fortunate to be with a great group, ECS, for 20+ years. During this time I have been granted the opportunity to serve in the healthcare system as one of the Medical Staff Officers for Spectrum Health Hospital Group. I spent time as a “core faculty” member for the EM Residency program early in my career. Then gained experience in ED operations while serving as the Medical Director at Spectrum Health Zeeland Community Hospital, before my involvement in practice management and leadership.
