

Hamilton Lempert, MD FACEP CEDC

Dr. Lempert serves as the Chief Medical Officer, Coding Policy for TeamHealth. Dr. Lempert co-chairs the EDPMA Quality, Coding and Documentation Committee (QCDC) and is the chairperson of Workgroup 4 of the American College of Emergency Physicians (ACEP) Coding and Nomenclature Committee, responsible for the ACEP FAQ reimbursement webpage. He is also a member of the ACEP Reimbursement Committee. He is a certified Emergency Department Coder and a frequent speaker on Documentation, Coding, Quality Assurance, and EMS issues.

Dr. Lempert is heavily involved in EMS. He was among the first group of physicians in 2013 to become board certified in the sub-specialty of EMS sponsored by the American Board of Emergency Medicine.
