

**Lisa J. Maurer, M.D., FACEP**

Dr. Lisa Maurer lives and works in the Milwaukee metro area, loving her role as a partner and Legislative Liaison in a community group called Emergency Medicine Specialists, as well as shareholder partner of ConsensioHealth. She moved back home to the Milwaukee area after finishing school at the University of MN and residency at George Washington University, which included a Mini-Fellowship in Health Policy. Within organized medicine, she focuses on the intersection of health care financing and health care delivery systems, especially at the state level. She is the President of the Wisconsin Chapter of ACEP, member of the ACEP State Legislative and Regulatory Committee, the ACEP Reimbursement Committee, the EDPMA State Regulatory & Insurance Committee, and ACEP/EDPMA Joint Task Force.
